

G3 Aerospace Services Terms and Conditions

These terms and conditions (“Terms”) govern the provision of services (“Services”) and the sale of Products (“Products”) by G3 Aerospace LLC (“G3”) and its divisions, subsidiaries and affiliates, to the party to whom the applicable technical proposal, commercial proposal, and/or quote (collectively, “Proposals”) are addressed (“Customer”). These Terms take precedence over Customer’s subsequent, supplemental or conflicting terms and conditions to which notice of objection is hereby given, regardless of whether or when Customer has submitted its request for proposal, order, or such terms. Neither G3’s commencement of performance or delivery shall be deemed or constituted as acceptance of Customer’s subsequent, supplemental or conflicting terms and conditions. These Terms, together with the Proposals, constitute the entire agreement (“Agreement”) between the parties, and supersede all prior or contemporaneous understandings, agreements, negotiations, representations and warranties, and communications, both written and oral, and shall govern all accepted purchase orders. In the event of any conflict between these Terms and the Proposals, the Proposals shall govern. Customer’s execution of the Proposals, issuance of a purchase order, tender of payment to G3, or acceptance of the Services and/or Products from G3, whichever comes first, shall be deemed to constitute acceptance of the terms and conditions of the Agreement. THESE TERMS MAY ONLY BE WAIVED OR MODIFIED IN A WRITTEN AGREEMENT SIGNED BY AN AUTHORIZED LEGAL REPRESENTATIVE OF G3.

1. RELATIONSHIP OF THE PARTIES

1.1. INDEPENDENT CONTRACTORS

G3 and Customer (herein collectively, “Parties” or individually a “Party”) agree and intend that the relationship between them created by this Agreement and any Proposals provided hereunder is that of independent contractors. This Agreement shall not create a relationship of employer and employee. Similarly, employees of one Party shall not be deemed to be employees of the other Party. Each Party shall be solely responsible for compensating its employees and contractors and withholding any amounts required to be withheld from their compensation by law.

1.2. NO AGENCY

Neither Party: (a) is the agent of the other, (b) has the authority to bind the other, or (c) shall hold itself out to any third party as having any such authority. Neither Party is responsible to any customer for the quality of services or the performance of products furnished by the other Party. Each Party is solely responsible for establishing the prices for its own Products, Services, and Deliverables. “Deliverables” shall mean the tangible results of the Services provided by G3 to Customer.

2. SERVICES

2.1. SCOPE OF WORK

G3 shall perform for Customer the Services specified in the Proposals (“Scope Definition”), or any other quote or statement of work subject to these Terms.

2.2. CHANGES TO THE PROPOSALS

Unless the accompanying Proposals provide otherwise, the proposed fees constitute G3's estimate to perform the Services required to complete the Scope Definition or facilitate the provision of engineering hours delivered, as specified in the Proposals. Customer’s required Services often are not fully determinable in the initial planning; accordingly, developments may dictate a change in the scope of Services to be performed (“Change Order”). Any changes to the Scope Definition may result in an impact to cost and or schedule, resulting in a Change Order detailing such changes. Any scope changes shall be negotiated in good faith and brought to a resolution within 3 business days from the notification of a Change Order request from either party. Any delays caused by the Customer’s failure to deliver any Customer Requirements, or any other necessary documents, information, data, etc. shall be cause for a

Change Order, under this section. Each Change Order must be mutually agreed upon and executed in writing before any work towards the change in scope can be performed.

3. PAYMENT FOR SERVICES AND EXPENSES

3.1. PAYMENT

Customer shall pay for the Services and/or Deliverables in accordance with the terms and conditions of this Agreement and the payment terms specified in the Proposal.

3.2. OPINION OF PROBABLE COSTS

When required as part of our work, G3 will furnish opinions of probable cost but does not guarantee the accuracy of such estimates. Opinions of probable cost, financial evaluations, feasibility studies, economic analyses of alternate solutions, and utilitarian considerations of operations and maintenance costs prepared by G3 hereunder will be made on the basis of G3's experience and qualifications and will represent G3's judgment as an experienced and qualified design professional. G3 does not have control over the cost of labor, material, equipment, or services furnished by others or over market conditions or contractors' methods of determining prices or performing the work.

3.3. TIMING OF PAYMENT

Unless otherwise set forth in the Proposal, the Customer shall pay the amounts payable to G3 hereunder within fifteen (15) days of rendering of Services/Deliverables on any applicable Proposals.

3.4. REIMBURSEMENT

Customer shall reimburse G3 for those reasonable expenses pre-approved by Customer, agreed to in the applicable Proposals and incurred by G3 in the performance of the Services under the applicable Proposals within fifteen (15) days of the expense(s) being invoiced.

3.5. LATE FEES

Unpaid balances exceeding the net terms of the Agreement shall be assessed a late fee of 5% per month of any unpaid balance. An additional 2.5% of the total unpaid amount will be assessed monthly for continued non-payment after the second month in which an account remains past due. Any attorney fees, court costs, or other costs incurred in collection of delinquent accounts shall be paid by the Customer. In addition, Service Provider may, after giving five (5) days' written notice to the Customer, suspend the services until Service Provider has been paid in full all amounts due. Payments will be credited first to interest and then to principal.

4. RESPONSIBILITIES OF THE CUSTOMER

4.1. CUSTOMER RESPONSIBILITIES

Those tasks and responsibilities required of Customer shall be expressly set out in in each of the applicable Proposals. Additionally, when entry to property is required by the work, the Customer agrees to obtain for G3 legal right-of-entry onto the property.

4.2. DELAYS/CHANGES BY CUSTOMER
